Perfect for life's milestone events

STUDIOOEVENTS.COM

About The Venue

Studio O's classic and timeless event space offers the perfect combination of formal and comfortable. With high, antique tin ceilings accented by **multiple crystal chandeliers**, white brick walls, and included furniture accents, the space is the perfect blank canvas for your next event.

CAPACITY

Our venue seats 10- 70 guests. If you are considering a dance floor or **DJ** we recommend a 50 person or less, guest count. With round guest tables and/or family-style rectangular tables the room layout options are endless.

AVAILABILITY

Our rates are the same every day of the week, making weekend get-togethers even more accessible. **You may choose from our afternoon time slots of 10-2 or 11-3pm, or our evening time slots of 5-9pm or 6-10pm time slot for your event, with the option to add additional hour(s).**

To check availability for the date and time you're interested in visit our website or email info@studiooevents.com

TOURS

Because we have an extensive portfolio of images online, many of our guests choose to **book via email** to secure their event date. However, if you prefer to set up a tour prior to booking we can absolutely accommodate that.

ACCESS & AMENITIES

Our venue is designed for your event to be easy and enjoyable! Hosts receive an email with the door code to enter at your agreed upon start time, and the opportunity to make yourselves right at home.

Amenities such as nest thermostat heating/air, wifi, bluetooth speaker, blackout curtains, restroom, and supply closet are 100% accessible to you.

FOOD & BEVERAGES

Guests are welcome to **bring in their own food and beverages.** We have catering companies we know and trust, and are happy to make those recommendations, but you do not need to choose from our list.

PARKING

Parking is **available** directly in front of our building in addition to free street parking all around the venue, as well as a public parking lot requiring a small fee, within walking distance for those guests that prefer to park in a lot.

We are happy to answer **any more questions** you may have. Feel free to email us directly at info@studiooevents.com
